CLASSIC TOURNAMENT COMPLIANCE INSTRUCTIONS

Proof of Age Documentation

All head coaches or managers will be responsible for obtaining and securing original "Proof of Age" documentation for each player. ***May 1 dictates the age of each individual player.** MJBL state commissioners may be available to inspect original "Proof of Age" documentation in advance and/or upon arrival at the Classic. Inspection of original "Proof of Age" documentation by MJBL state commissioners will then only require copies of "Proof of Age" documentation at the Classic. MJBL representatives will also verify all documentation (copies or originals) for each player during the Tournament Check-in process (date and location listed below). "Proof of Age" documentation will be reviewed by a MJBL compliance member to ensure authenticity and that it matches the teams roster. A MJBL compliance member will issue one stamped roster to the team manager

and keep the other. The manager or head coach should bring the stamped approved roster with them to each game.

*Younger players are permitted to play in older divisions based on determination of skill level of player by the head coach with parental permission

Proof of Age Documentation continued

To participate in the MJBL Inner City Classic, all coaches/managers will be required to go through a check-in process and receive a stamped approved roster to verify the age and identity of each player. The following items are **MANDATORY** at tournament check-in and **NO** team or player will be allowed to check-in or participate without providing the following documentation (NO EXCEPTIONS):

Altered "Proof of Age" Documentation

During registration if a player's "Proof of Age" documentation is found to have been altered or changed , that player will not be allowed to participate in the Classic. The player whose certificate has been altered will be permanently

disqualified from further participation in MJBL events and the altered certificate will be submitted to state or government officials. Altering official "Proof of Age" documentation is against the law in most states. The head coach or manager is responsible for attesting to the accurate age of his/her team players and the tournament director will determine if the coach/ manager will be allowed to participate.

Ineligible Participation

Any team found to have an ineligible player or roster will face the penalties listed below. Furthermore, MJBL may impose additional penalties as deemed appropriate.

A) Participation of a player not registered or on the official team roster.

Penalty: Unregistered player will be removed from that game and not allow to compete in any subsequent games. Any runs he scored or batted in will be deducted from the score of that game. The enforced penalty will not be retroactive and only affect the protested game. Head Coach/Manager, may be suspended for the next game based on tournament directors interpretation of intent.

B) Over-age player participation.

Penalty: N/A, once a player is on a team roster and has been certified at check-in by tournament official, that player is deemed eligible to compete on that team.

C) Player on Two Rosters in Same Division/Separate Divisions.

Penalty: Unless a waiver has been given to this player by a MJBL compliance official he will be unable to continue to play on two teams.
